ACCESS SERVICE

17. Rates and Charges

This section contains rates for all access services except Billing and Collection Services. See Sections for Billing and Collection Services and Rates.

17.1 Common Line Access Service

17.1.1 Carrier Common Line Access Service

Regulations concerning Carrier Common Line Access Service are set forth in Section 3. preceding.

	<u>Rate</u>	
Per access line, per month *	\$6.507	(D)

* The Carrier Charge is tariffed on a per line basis and is assessed on all intrastate toll carriers based on each toll carrier's intrastate toll minutes that are originated and terminated in the Telephone Company's territory relative to the total intrastate toll minutes that are originated and terminated in the Telephone Company's territory.

The Telephone Company, at its sole discretion, may convert the Carrier Charge per line to an equivalent rate per minute. Should the Telephone Company choose to use an equivalent rate per minute, the Carrier Charge revenue will be reviewed and the Carrier Charge adjusted as necessary to ensure the appropriate recovery.

(D) Indicates Decrease
